### **3. Fees and payment of fees**

- 3.1 Our fees are available from our website at [www.albany-montessori.co.uk](http://www.albany-montessori.co.uk).
- 3.2 All fees are due in the first week of term, and you will be invoiced in the month prior to admission or, once your child has started, at the end of a term e.g. Autumn Term will be invoiced for at the end of the Summer Term.
- 3.3 We calculate the fees based in the weekly fee multiplied by the number of weeks in the term. The autumn term is generally longer about 14 weeks and the summer and spring terms are generally 11 or 12 weeks. We are usually open for 38 weeks of the year. This can change due to the moving Easter.
- 3.4 If your child is commencing attendance at the beginning of a term, to ease their settling in, we operate a staggered start policy. Their start date will be within the first 2 weeks of that term. Should this be the case a full term's fees will still be due.
- 3.5 Providing a full service is still provided by Albany Montessori School no reduction in fees can be made for temporary absences of illness, holidays taken during term time (for the sake of argument a holiday shall be a child being absent from the nursery through the choice of the parent or carer) or bank holidays, doctor's or other medical appointments, any absences deemed necessary due to having to isolate are returning from on the current government COVID 19 quarantine list, or any other reason decided by the parent or carer.
- Should the school need to close due to a confirmed infection of COVID 19 within the school, online services will be provided. A reasonable fee will be charged to cover unavoidable costs and to take into account services provided. Should this create a credit on an account, this credit will be carried forward to the next term or any forthcoming invoices. Should your child be leaving the setting at the end of the term in which the closure occurs a refund of any credit will be made at the end of term. Should sufficient notice of withdrawal of your child not be received your £100 deposit will be retained.
- 3.6 If you have requested additional sessions we will request payment under a separate invoice.
- 3.7 Fees may be paid by bank transfer, cash or cheque. If payment is made by cash it is your responsibility to request a receipt.
- 3.8 Fee levels will be reviewed at least once a year and any increase will be notified in writing a half term in advance.
- 3.9 The school retains the discretion to pass on to parents any bank charges howsoever incurred.
- 3.10 A £50.00 charge will be applicable for any reductions in sessions made at short notice prior to the commencement of or during a term.
- 3.11 Should the school need to close due to government/local authority imposed lockdown or on the advice of Public Health England, or any other body that may replace, usurp or supercede it, or any other authorised body, following a confirmed case of Covid-19 or for any other reason, an online home-learning service will be provided and a fee will still be charged. This fee will be no more than direct unavoidable costs to the business such as mortgages/rents, where relevant 'holiday periods' could not be agreed, utilities, insurance premiums. These costs should not seek to cover costs which are reimbursed in other ways such as the government financial support schemes (for example the furlough scheme) or costs reimbursed to the business by insurance. The fee will be applied for a specified and modest time period, and will stop being charged if the consumer decides to exit the contract (remove their child from the school – see Termination of this Agreement below) to avoid further payment. Any credit created by the fee being less than the usual fee will be carried over to the next school term. Should the child be leaving at the end of the current term in which the period of closure occurs any credit will be fully refunded at the end of the term.

#### 4. **Suspension of a child**

- 4.1 Should fees remain unpaid for more than a month we may suspend your child's place and reserve the right to do so.
- 4.2 Should the period of suspension for non-payment of fees exceed one month either of us may terminate this agreement by giving written notice which will take effect on receipt of the notice. Where notice is not delivered by hand proof of postage shall evidence receipt.
- 4.3 We do not support the exclusion of any child on the grounds of behaviour. However, if you child's behaviour is deemed by us to endanger the safety and well-being of your child and/or other children and adults, it may be necessary to suspend your child's place at the nursery whilst we look to address these issues with you and any external agencies as appropriate.
- 4.4 During any suspension of behaviour related issues we will work with any external agencies where reasonably required to identify appropriate provision or services for your child.

4.5 If your child is suspended part way through a term for behaviour issues we will credit you for any fees you have already paid for the full time of suspension up to a maximum of the remaining pro-rata booked sessions for that term. If fees are owed to us then this amount will be offset against those.

Under these circumstances we are unable to provide any refund or reduction of fees. We will be under no obligation to provide alternative childcare. See clause 3.6 pertaining to COVID 19 closures.

I do this knowing that every reasonable effort has been made to locate me and that my child’s medical needs are paramount in this situation.

10.2 Please note that in the event of your child being injured or taken ill whilst at Albany Montessori School, a member of staff would immediately attempt to contact the child’s Mother, Father or carer.
